PHOENIX HOTEL,
(Corner of Main and Mulberry Streets.)
Lexington, Kentucky.

THE subscriber begs leave to inform his friends and the public generally, that he has leased this old and well known Hotel, in the city of Lexington, and that he has taken charge of the same.

The House has recently undergone a thorough renovation; the rooms are newly and neatly furnished; and still further improvements will be made to render it in all respects worthy of public patronage, and an agreeable home to those who may avail themselves of its privileges.
Intending to devote his own time and attention to the business, and to surround himself with competent assistants, together with faithful, polite and attentive servants, he gives the assurance to the public that no efforts on his part shall be wanting to make the old Phoenix in all respects worthy of its reputation in its palmy days.
Professions, however, are too easily and too frequently made to be of much value unless accompanied by corresponding acts, and he, therefore, only asks that the public may test the sincerity of his pledges by giving him a call. They will always find him ready to minister to their comforts in the best manner in his power.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously ordered or unhealthily food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which renders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alternative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S Compound Extract of Sarsaparilla.

the most effectual remedy which the medical skill of our times can devise for this everywhere prevailing and fatal malady. It is combined from the most active remedies that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as Eczema, and Scaly Diseases, STY, ANTHRAX, FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS AND BOILS, TUMORS, TETTER, and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPENSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "impurity of the blood" is founded in truth, for scrofula is a degeneration of the blood. The particular source and victim of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

AYER'S Ague Cure,

FOR THE SPEEDY CURE OF
Intermittent Fever, or Fever and Ague, Remittent Fever, Chills, Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fever, &c., &c., for the whole class of diseases originating in bilious derangement, caused by the Malaria of Miasmatic Countries.

We are enabled here to offer the community a remedy which cures the above complaints with certainty, is still perfectly harmless in any quantity. Such a remedy is invaluable in districts where these afflictions so prevail. This "Cure" expels the miasmatic poison of Fever and Ague from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar, is within the reach of every body; and in bilious districts, where Fever and Ague prevails, every body should have it and use it freely both for cure and protection. A great superiority of this remedy over any other for curing the system, and the speedy cure of Intermittents is that it contains no Quinine or mineral, consequently it produces no quinine or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Blood-poison, Toothache, Catarrh, Asthma, Pains, Painful Affection of the Spleen, Hysteria, Pain in the Bowels, Colic, Paralysis and Derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodic. The true cure is to expel the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons traveling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from Intermittents if they avail themselves of the protection this remedy affords.

LIFE PILLS AND PHOENIX BITTERS

THESE MEDICINES have now been before the public for a period of thirty years, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing varieties of human diseases in which the LIFE MEDICINES are well known to be infallible.
Dyspepsia, by thoroughly cleansing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; Flatulency, loss of appetite, Heart-Burn, Headache, Restlessness, Irritability, Anxiety, Langour, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.
Fever, of all kinds, by restoring the blood to regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstructions in others.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and Gout in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of Gravel.

Also Worms, by dislodging from the turnings of the bowels the slimy matter by which these creatures adhere.

Scurvy, Claps, and Venereal Sores, by the perfect purity which these Life Medicines give to the blood, and all the humors.

Scorbutic Eruptions, and Bad Complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state by which occasions all eruptive complaints, scallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of Salt Rheum, and a striking improvement in the clearness of the skin. Common Colds and Influenza will always be cured by one dose, or by two in the worst cases.

Piles.—The original proprietor of these Medicines was cured of Piles, 35 years standing, by the use of the Life Medicines alone.

FEVER AND AGUE.—For this scourge of the Western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease; a cure by these Medicines is permanent—try them, be satisfied, and be cured.

Bilious Fevers and Liver Complaints.—General Debility, Loss of Appetite, and Diseases of Females.—The Medicines have been used with the most beneficial results in cases of this description—King's Evil, and Scrofula, in its worst forms, yields to the mild yet powerful action of these Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.

Mercurial Diseases.—Persons whose constitutions have become impaired by the injudicious use of mercury, will find these Medicines a perfect cure; they never fail to eradicate from the system all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

THE COMMONWEALTH.

SATURDAY, AUGUST 23, 1862.

KENTUCKY LEGISLATURE.

IN SENATE.

FRIDAY, August 22, 1862.

Prayer by the Rev. Wm. McD. ABBETT, of the Methodist church.
The Journal of yesterday was read.

BILLS REPORTED.

Mr. COCKRILL—Internal Improvement.—To repeal an act to regulate navigation on the Kentucky river: referred to the committee on Finance.

Mr. McHENRY—Judiciary—A. H. R. bill authorizing the sale of real estate and slaves in which there is a future contingent interest: passed.

Mr. McHENRY, from the same committee, to whom was referred the Senate Journal of Monday, made a report, striking out that portion of the journal in relation to the inauguration of Gov. Robinson, and the election of Speaker of the Senate, and inserting the following:

"The Senate, in compliance with the foregoing resolution, repaired to the Hall of the House of Representatives, and witnessed the inauguration of Hon. James F. Robinson, who, by reason of the resignation of Gov. Magoffin, was called on to administer the government, and then returned to the Senate chamber.

The Secretary then announced that nominations for Speaker of the Senate, *pro tempore*, were in order.

Whereupon Mr. Martin P. Marshall nominated the Hon. John F. Fisk."

Mr. GOODLOE offered the following as a substitute for the report of the committee:

"The Senate, in compliance with the foregoing resolution, repaired to the Hall of the House of Representatives, and witnessed the administration of the oath of office to Hon. Jas. F. Robinson as acting Governor of this Commonwealth, and then returned to the Senate chamber.

The Secretary then announced that by reason of the Speaker *pro tempore* of the Senate having been called to administer the government there was no presiding officer present of the body.

Whereupon Mr. M. P. Marshall nominated the Hon. John F. Fisk as presiding officer of the Senate for the occasion.

No other nomination having been made, the vote was taken, and resulted as follows, *ac.*

Mr. Fisk having received all the votes cast was declared duly elected presiding officer of the Senate for the occasion, and immediately took the prescribed oath, and entered upon the discharge of the duties of his office.

The report of the committee, and the amendment of Mr. GOODLOE, gave rise to a lengthy debate, in which Messrs. GOODLOE, McHENRY, BUSH, WHITAKER, M. P. MARSHALL, READ and GLENN took part.

The question was then taken on Mr. GOODLOE's substitute, and it was decided in the negative—yeas, 13; nays, 16.

Mr. WHITAKER offered the following as a substitute for the report of the committee.

The Senate, in compliance with the foregoing resolution, repaired to the House of Representatives, and then witnessed the administration of the oath of office to Hon. James F. Robinson, as acting Governor of Kentucky, and then returned to the Senate chamber.

THE GREAT FIRE AT TROY, N. Y.

The Phoenix of Hartford.

[Extracts from letters from S. L. Loomis, Esq., President of the Phoenix Insurance Company, of Hartford, Conn., to R. H. & H. M. Magill, General Agents, relative to the late serious conflagration at Troy.]

PHOENIX INSURANCE COMPANY,
Hartford, Conn., May 12, 1862.

"A big fire at Troy—we are in—how much we do not know. May be \$20,000; but whatever it is, it will be paid as fast as adjusted, and no crying. Secretary Kellogg went up there this morning. Mr. Wallace (Adjuster) will meet him there to-morrow. They will make short work of it. The fire swept off about fifty acres of buildings—a sad calamity to Troy, but one no human foresight could prevent. It is the first emergency we ever had, and such an one as gives more character to a Company than a hundred \$5,000 claims."

HARTFORD, May 13, 1862.

"Our losses may reach \$15,000 or \$20,000, but whatever they are, they will all be paid before Saturday night if they can be adjusted. It is such fires that try the backbone of Companies, and if they can stand up under the heavy load, it will give them great credit."
